CONTACT: Melissa Jarmon, Apportionment Program Supervisor

## PURPOSE

Attached is a listing of the 2018 calendar year excess general fund maintenance and operation levy authority for those school districts headquartered in your county. The amount shown represents the maximum amount that may be certified for collection in 2018 by or on behalf of the school district for maintenance and operation purposes per RCW 84.52.0531.

## BACKGROUND

School district levies are certified to the county legislative authority by the board of directors of first class school districts and by the appropriate educational service district (ESD) for second class school districts.

For school districts located in more than one county, the levy authority shown must be divided among the counties.

It should be noted when the levy rate is determined for school district maintenance and operation levies, the greater of one-half of the timber assessed valuation, or 80 percent of the 1983 timber roll, must be added to assessed valuations.
