### **Purpose**

The 2017–18 *S-275 Personnel Reporting Handbook* provides school districts and educational service districts (ESDs), charter schools, and tribal compact schools with instructions for reporting certificated and classified staff to School Apportionment and Financial Services (SAFS) at the Office of Superintendent of Public Instruction (OSPI).

Initial data for certificated and classified staff for 2017–18 are due to OSPI:

<u>FORM NO.</u>	<u>TITLE</u>	<u>DUE IN OSPI</u>
S-275	Annual School Personnel Report	November 1–22

This bulletin, Form S-275, and the S-275 Personnel Reporting Handbook are posted at [S-275 Personnel Reporting Instructions for 2017–2018](#).

Please forward this bulletin to district human resource officials and data administrators as needed.

## **S-275 Personnel Report**

Submit a report for each employee who, as of October 1, 2017, is contracted or hired to provide services any time during the 2017–18 school year.

### **Reporting Instructions**

There are no changes from last year's instructions.

School districts are responsible for preparing and transmitting their S-275 data to OSPI through one of the following procedures:

- **Transmit electronically through the Washington School Information Processing Cooperative (WSIPC) network.** Contact your WSIPC coordinator for details.
- **If you are a school district that does not use WSIPC, or are having difficulty with your import:** Log on to the Education Data System (EDS), then select Personnel, then Import. On the Import screen, select [Click here to import FTP & for instructions](#). If you continue to have difficulty, your service provider can contact OSPI IT Services, Customer Support at 360-725-6371 or [customersupport@k12.wa.us](mailto:customersupport@k12.wa.us).

Use the following instructions for accessing the EDS S-275 reporting system:

1. School and school district personnel completing and submitting the report must first contact their District Data Security Manager to be given access to the reporting system. If you do not have a username and password, your District Data Security Manager can establish these for you at that time. A list of Data Security Managers for each district is available at [District Security Managers](#).

Data Security Managers will be able to assign the following role:

#### **SAFS District Personnel User**

District designated users with this role can:

- Run/View/Print the update journal error report.
- Run/View/Print the 1801, 1803, and S-275 edit reports.

2. After you obtain your user name and password from your District Data Security Manager and have been assigned the appropriate role(s), you must log into OSPI's EDS at [EDS System Sign In](#) with your email address as your username and password. The S-275 reporting system for 2017–18 is scheduled to be available to districts on November 1, 2017. If you are new to the EDS system, follow Step 3 below to establish a password. If you have already established your password, skip to Step 4 below.
3. Please note the password is case sensitive and you will be prompted to change your password once you successfully log into the system. Passwords must be at least eight characters and must include (a) one upper case letter, (b) one lower case letter, (c) one numeric digit, and (d) one special character (\*\$+?\_&=!%{}/). **Do not** use the phrase 'pass.'
4. Please update your contact information when shown the “My Contact Information” screen. This will enable us to communicate with you more effectively as our distribution lists are generated through this feature.
5. Click the “My Applications” tab to view a list of the applications currently available to you. Select the SAFS link, then the “Personnel” tab, and then follow the instructions on the application for requesting your reports.
6. At the SAFS level, click on the “Info Center” tab to access the Personnel User Manual.
