The Contractor shall incorporate OMB CFR, Part 200, Subpart F audit requirements into all contracts between the Contractor and its Subcontractors who are Subrecipients of federal awards. The Contractor shall comply with any future amendments to OMB and any successor or replacement Circular or regulation.
8. **Budget Revisions.** Any monetary amount budgeted by the terms of this Contract for various activities and line item objects of expenditure may be revised without prior written approval of Superintendent, so long as the revision is no more than ten percent (10%) of the original line item amount and the increase in an amount is offset by a decrease in one or more other amounts equal to or greater than the increase. All other budget revisions exceeding ten percent (10%) shall only be made with the prior written approval of the Superintendent.
9. **Certification Regarding Debarment, Suspension, and Ineligibility.** The Contractor certifies that neither it nor its principals are debarred, suspended, proposed for debarment, or voluntarily excluded from participation in transactions by any federal department or agency. Contractor must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Contractor shall require its subcontractors to certify compliance with this provision.

11. Certification Regarding Wage Violations. The Contractor certifies that within three (3) years prior to the date of execution of this Contract, Contractor has not been determined by a final and binding citation and notice of assessment issued by the Washington Department of Labor and Industries or through a civil judgment entered by a court of limited or general jurisdiction to have willfully violated, as defined in RCW 49.48.082, any provision of RCW chapters 49.46, 49.48, or 49.52.

The Contractor further certifies that it will remain in compliance with these requirements during the term of this Contract. Contractor will immediately notify the Superintendent of any finding of a willful violation entered by the Washington Department of Labor and Industries or through a civil judgment entered by a court of limited or general jurisdiction entered during the term of this Contract.

In the event of substantive change in the legal status, organizational structure, or fiscal reporting responsibility of the Contractor, Contractor agrees to notify the Superintendent of the change. Contractor shall provide notice as soon as practicable, but no later than thirty (30) days after such a change takes effect.

13. Confidentiality. The Contractor acknowledges that all of the data, material and information which originates from this Contract, and any student assessment data, material and information which will come into its possession in connection with performance under this Contract, consists of confidential data owned by the Superintendent or confidential personally identifiable data subject to the federal Family Educational Rights and Privacy Act or other privacy laws, and that disclosure to or use by third parties would be damaging. The Contractor, therefore, agrees to hold all such material and information in strictest confidence, not to make use thereof other than for the performance of this Contract, to release it only to authorized employees and agents requiring such information and not release or disclose it to any other party. The Contractor agrees to release such information or material only to employees and agents who have signed a written agreement expressly prohibiting disclosure.

14. Copyright Provisions. Unless otherwise provided, all Materials produced under this Contract shall be considered "works for hire" as defined by the U.S. Copyright Act and copyright shall be owned by the Superintendent. The Superintendent shall be considered the author of such Materials. If Materials are not considered "works for hire", Contractor hereby irrevocably assigns all right, title, and interest in

Materials, including all intellectual property rights, to the Superintendent effective from the moment of creation of such Materials.

Materials means all items in any format and includes, but is not limited to, data, reports, documents, pamphlets, advertisements, books, magazines, surveys, studies, computer programs, films, tapes, and/or sound reproductions. Copyright ownership includes the right to patent, register and the ability to transfer these rights.

Contractor understands that, except where otherwise agreed to in writing or approved by the Superintendent or designee, all original works of authorship produced under this Contract shall carry a **Creative Commons Attribution License**, version 4.0 or later.

All Materials the Contractor has adapted from others' existing openly licensed resources must be licensed with the least restrictive open license possible that is not in conflict with existing licenses.

For Materials that are delivered under the Contract, but that incorporate pre-existing materials not produced under the Contract, Contractor will license the materials to allow others to translate, reproduce, distribute, prepare derivative works, publicly perform, and publicly display. If the Contractor would like to limit these pre-existing portions of the work to non-commercial use, the Creative Commons Attribution-NonCommercial-ShareAlike license, version 4.0 or later, is acceptable for these specific sections.

The Contractor warrants and represents that Contractor has all rights and permissions, including intellectual property rights, moral rights and rights of publicity, necessary to apply such a license.

The Contractor shall exert all reasonable effort to advise the Superintendent, at the time of delivery of data furnished under this Contract, of all known or potential invasions of privacy contained therein and of any portion of such document which was not produced in the performance of this Contract. The Superintendent shall receive prompt written notice of each notice or claim of infringement received by the Contractor with respect to any data delivered under this Contract. The Superintendent shall have the right to modify or remove any restrictive markings placed upon the data by the Contractor.

15. Covenant Against Contingent Fees. The Contractor warrants that no person or selling agent has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, excepting bona fide employees or bona fide established agent maintained by the Contractor for the purpose of securing business. The Superintendent shall have the right, in the event of breach of this clause by the Contractor, to annul this Contract without liability or, in its discretion, to deduct from the contract price or consideration or recover by other means the full amount of such commission, percentage, brokerage or contingent fees.

16. Disputes. In the event that a dispute arises under this Contract, it shall be determined by a Dispute Board in the following manner: (1) The Superintendent shall appoint a member to the Dispute Board; (2) the Contractor shall appoint a member to the Dispute Board; (3) the Superintendent and the Contractor shall jointly appoint a member to the Dispute Board; (4) the Dispute Board shall evaluate the dispute and make a determination of the dispute; and, the determination of the Dispute Board shall be final and binding on the parties hereto.

As alternatives to the above Dispute Board process: (1) if the dispute is between two or more state agencies, any one of the agencies may request intervention by the Governor, as provided by 43.17.330 RCW, in which event the Governor's process shall control; and, (2) if the dispute is between a non-state agency and another state agency or non-state agency party to this Contract, all the disputing parties may mutually agree to mediation prior to submitting the dispute to a Dispute Board in the event the dispute is not resolved pursuant to mediation within an agreed-upon time period.

17. Duplicate Payment. The Superintendent shall not pay the Contractor, if the Contractor has charged or will charge the state of Washington or any other party under any other contract or agreement, for the same services or expenses.

18. Entire Agreement. This Contract contains all the terms and conditions agreed upon by the parties. No other understandings, oral or otherwise, regarding the subject matter of this Contract shall be deemed to exist or to bind any of the parties hereto.

19. Ethical Conduct. Neither the Contractor nor any employee or agent of the Contractor shall participate in the performance of any duty or service in whole or part under this Contract in violation of, or in a manner that violates any provision of the Ethics in Public Service law at Chapter 42.52 RCW, RCW 42.17A.550, RCW 42.17A.555, and 41.06.250 prohibiting the use of public resources for political purposes.

20. Governing Law. This Contract shall be construed and interpreted in accordance with the laws of the State of Washington and the venue of any action brought hereunder shall be in Superior Court for Thurston County.

21. Indemnification. To the fullest extent permitted by law, Contractor shall indemnify, defend and hold harmless the Superintendent and all officials, agents, and employees of the Superintendent, from and against all claims for injuries or death arising out of or resulting from the performance of this Contract. "Claim" as used in this Contract, means any financial loss, claim, suit, action, damage, or expense, including but not limited to attorney's fees, attributable for bodily injury, sickness, disease, or death, or injury to or destruction of tangible property including loss of use resulting therefrom. Additionally, "claims" shall include but not be limited to, assertions that the use or transfer of any software, book, document, report, film, tape or sound reproduction or material of any kind, delivered hereunder, constitutes an infringement of any copyright, patent, trademark, trade name, or otherwise results in an unfair trade practice or in unlawful restraint of competition. Contractor's obligation to indemnify, defend and hold harmless includes any claim by Contractor's agents, employees, representatives, or any subcontractor or its employees.

Contractor expressly agrees to indemnify, defend, and hold harmless the Superintendent for any and all claims, costs, charges, penalties, demands, losses, liabilities, damages, judgments, or fines out of or incident to Contractor's or subcontractor's performance or failure to perform the Contract. Contractor's obligation to indemnify, defend, or hold harmless the Superintendent shall not be eliminated or reduced by any actual or alleged concurrent negligence by Superintendent or its agents, employees, or officials.

Contractor waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend and hold harmless Superintendent and its agents, employees, or officials.

22. Independent Capacity of the Contractor. The parties intend that an independent Contractor relationship will be created by this Contract. The Contractor and his/her employees or agents performing under this Contract are not employees or agents of the Superintendent. The Contractor will not hold himself/herself out as nor claim to be an officer or employee of the Superintendent or of the state of Washington by reason hereof, nor will the Contractor make any claim or right, privilege, or benefit which would accrue to such employee under law. Conduct and control of the work will be solely with the Contractor.

23. Insurance.

- a. **Worker's Compensation Coverage.** The Contractor shall at all times comply with all applicable worker's compensation, occupational disease, and occupational health and safety laws, statutes, and regulations to the fullest extent applicable. This requirement includes the purchase of industrial insurance coverage for the Contractor's employees, as may now hereafter be required of an "employer" as defined in Title 51 RCW. Such worker's compensation and occupational disease requirements shall include coverage for all employees of the Contractor, and for all employees of any subcontract retained by the Contractor, suffering bodily injury (including death) by accident or disease, which arises out of or in connection with the performance of this Contract. Satisfaction of these requirements shall include, but shall not be limited to:
- 1) Full participation in any required governmental occupational injury and/or disease insurance program, to the extent participation in such a program is mandatory in any jurisdiction;
 - 2) Purchase worker's compensation and occupational disease insurance benefits to employees in full compliance with all applicable laws, statutes, and regulations, but only to the extent such coverage is not provided under mandatory governmental program in "a" above, and/or;
 - 3) Maintenance of a legally permitted and governmentally approved program of self-insurance for worker's compensation and occupational disease.

Except to the extent prohibited by law, the program of the Contractor's compliance with worker's compensation and occupational disease laws, statutes, and regulations in 1), 2), and 3) above shall provide for a full waiver of rights of subrogation against the Superintendent, its directors, officers, and employees.

If the Contractor, or any subcontractor retained by the Contractor, fails to effect and maintain a program of compliance with applicable worker's compensation and occupational disease laws, statutes, and regulations and the Superintendent incurs fines or is required by law to provide benefits to such employees, to obtain coverage for such employees, the Contractor will indemnify the Superintendent for such fines, payment of benefits to Contractor or subcontractor employees or their heirs or legal representatives, and/or the cost of effecting coverage on behalf of such employees. Any amount owed the Superintendent by the Contractor pursuant to the indemnity may be deducted from any payments owed by the Superintendent to the Contractor for the performance of this Contract.

- b. **Automobile Insurance.** In the event that services delivered pursuant to this Contract involve the use of vehicles, owned or operated by the Contractor, automobile liability insurance shall be required. The minimum limit for automobile liability is:

\$1,000,000 per occurrence, using a Combined Single Limit for bodily injury and property damage.

- c. **Business Automobile Insurance.** In the event that services performed under this Contract involve the use of vehicles or the transportation of clients, automobile liability insurance shall be required. If Contractor-owned personal vehicles are used, a Business Automobile policy covering a minimum Code 2 "owned autos only" must be secured. If the Contractor's employees' vehicles are used, the Contractor must also include under the Business Automobile policy Code 9, coverage for "non-owned autos." The minimum limits for automobile liability is:

\$1,000,000 per occurrence, using a Combined Single Limit for bodily injury and property damage.

- d. **Public Liability Insurance.** The Contractor shall at all times during the term of this Contract, at its cost and expense, carry and maintain general public liability insurance, including contractual liability, against claims for bodily injury, personal injury, death, or property damage occurring or arising out of services provided under this Contract. This insurance shall cover such claims as may be caused by any act, omission, or negligence of the Contractor or its officers, agents, representatives, assigns or servants. The limits of liability insurance, which may be increased from time to time as deemed necessary by the Superintendent, with the approval of the Contractor (which shall not be unreasonably withheld), shall not be less than as follows:

Each Occurrence	\$1,000,000
General Aggregate Limits (other than products-completed operations)	\$2,000,000
Products-Completed Operations Limit	\$2,000,000
Personal and Advertising Injury Limit	\$1,000,000
Fire Damage Limit (any one fire)	\$50,000
Medical Expense Limit (any one person)	\$50,000

- e. **Proof of Insurance.** Certificates and or evidence satisfactory to the Superintendent confirming the existence, terms and conditions of all insurance required above shall be delivered to the Superintendent within five (5) days of the Contractor's receipt of Authorization to Proceed.
- f. **General Insurance Requirements.** Contractor shall, at all times during the term of the Contract and at its cost and expense, buy and maintain insurance of the types and amounts listed above. Failure to buy and maintain the required insurance may result in the termination of the Contract at the Superintendent's option. By requiring insurance herein, Superintendent does not represent that coverage and limits will be adequate to protect Contractor and such coverage and limits shall not limit Contractor's liability under the indemnities and reimbursements granted to the Superintendent in this Contract.

Contractor shall include all subcontractors as insureds under all required insurance policies, or shall furnish proof of insurance and endorsements for each subcontractor. Subcontractor(s) must comply fully with all insurance requirements stated herein. Failure of subcontractor(s) to comply with insurance requirements does not limit Contractor's liability or responsibility.

24. Licensing and Accreditation Standards. The Contractor shall comply with all applicable local, state, and federal licensing, accreditation and registration requirements/standards, necessary to the performance of this Contract.

25. Limitation of Authority. Only the Superintendent or the Superintendent's delegate by writing (delegation to be made prior to action) shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this Contract. Furthermore, any alteration, amendment, modification, or waiver or any clause or condition of this Contract is not effective or binding unless made in writing and signed by the Superintendent.

26. Non-Discrimination. The Contractor shall comply with all the federal and state non-discrimination laws, regulations and policies, which are otherwise applicable to the Superintendent. Accordingly, no person shall, on the ground of sex, race, creed, religion, color, national origin, marital status, families with children, age, veteran or military status, sexual orientation, gender expression, gender identity, disability, or the use of a trained dog guide or service animal, be unlawfully excluded from participation

in, be denied the benefits of, or be otherwise subjected to discrimination under any activity performed by the Contractor and its agents under this Contract. The Contractor shall notify the Superintendent immediately of any allegations, claims, disputes, or challenges made against it under non-discrimination laws, regulations, or policies, or under the Americans with Disabilities Act. In the event of the Contractor's noncompliance or refusal to comply with this nondiscrimination provision, this Contract may be rescinded, cancelled or terminated in whole or part, and the Contractor may be declared ineligible for further contracts with the Superintendent.

27. Overpayments. Contractor shall refund to Superintendent the full amount of any overpayment under this Contract within thirty (30) calendar days of written notice. If Contractor fails to make a prompt refund, Superintendent may charge Contractor one percent (1%) per month on the amount due until paid in full.

28. Payments. No payments in advance or in anticipation of services or supplies to be provided under this Contract shall be made by the Superintendent. All payments to the Contractor are conditioned upon (1) Contractor's submission of a properly executed and supported voucher for payment, including such supporting documentation of performance and supporting documentation of costs incurred or paid, or both as is otherwise provided for in the body of this Contract under Duties of the Superintendent, and (2) Acceptance and certification by the Superintendent or designee of satisfactory performance by the Contractor.

Except as otherwise provided in this Contract, (1) All approvable vouchers for payment due to the Contractor shall be paid within thirty (30) calendar days of their submission by the Contractor, and (2) All expenses necessary to the Contractor's performance of this Contract not specifically mentioned in the Contract shall be borne in full by the Contractor.

29. Public Disclosure. Contractor acknowledges that the Superintendent is subject to the Washington State Public Records Act, Chapter 42.56 RCW, and that this Contract shall be a public record as defined in RCW 42.56. Any specific information that is claimed by the Contractor to be confidential or proprietary must be clearly identified as such by the Contractor. To the extent consistent with chapter 42.56 RCW, the Superintendent shall maintain the confidentiality of all such information marked confidential or proprietary. If a request is made to view the Contractor's information, the Superintendent will notify the Contractor of the request and the date that such records will be released to the requester unless Contractor obtains a court order enjoining that disclosure. If the Contractor fails to obtain the court order enjoining disclosure, the Superintendent will release the requested information on the date specified.

30. Publicity. The Contractor agrees to submit to the Superintendent all advertising and publicity matters relating to this Contract which in the Superintendent's judgment, Superintendent's name can be implied or is specifically mentioned. The Contractor agrees not to publish or use such advertising and publicity matters without the prior written consent of the Superintendent.

31. Registration with Department of Revenue. The Contractor shall complete registration with the Department of Revenue and be responsible for payment of all taxes due on payments made under this Contract.

32. Records Maintenance. The Contractor shall maintain all books, records, documents, data and other evidence relating to this Contract and performance of the services described herein, including but not limited to accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Contract. Contractor shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the Contract, shall be subject at all reasonable times to inspection, review or

audit by the Superintendent, personnel duly authorized by the Superintendent, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

33. Right of Inspection. The Contractor shall provide right of access to its facilities to the Superintendent or any of its officers at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this Contract on behalf of the Superintendent. All inspections and evaluations shall be performed in such a manner that will not unduly interfere with the Contractor's business or work hereunder.

34. Severability. The provisions of this Contract are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the Contract.

35. Site Security. While on Superintendent premises, Contractor, its agents, employees, or subcontractors shall conform in all respects with physical, fire or other security policies or regulations.

36. Subcontracting. Neither the Contractor nor any subcontractor shall enter into subcontracts for any of the work contemplated under this Contract without obtaining prior written approval of the Superintendent. Contractor is responsible to ensure that all terms, conditions, assurances and certifications set forth in this Contract are included in any and all Subcontracts. In no event shall the existence of the subcontract operate to release or reduce liability of the Contractor to the Superintendent for any breach in the performance of the Contractor's duties. This clause does not include contracts of employment between the Contractor and personnel assigned to work under this Contract.

If, at any time during the progress of the work, the Superintendent determines in its sole judgment that any subcontractor is incompetent, the Superintendent shall notify the Contractor, and the Contractor shall take immediate steps to terminate the subcontractor's involvement in the work. The rejection or approval by the Superintendent of any subcontractor or the termination of a subcontractor shall not relieve the Contractor of any of its responsibilities under the Contract, nor be the basis for additional charges to the Superintendent.

37. Taxes. All payments accrued on account of payroll taxes, unemployment contributions, any other taxes, insurance or other expenses for the Contractor or its staff shall be the sole responsibility of the Contractor.

38. Termination for Convenience. Except as otherwise provided in this Contract, the Superintendent or Superintendent's Designee may, by ten (10) days written notice, beginning on the second day after the mailing, terminate this Contract in whole or in part. The notice shall specify the date of termination and shall be conclusively deemed to have been delivered to and received by the Contractor as of midnight the second day of mailing in the absence of proof of actual delivery to and receipt by the Contractor. If this Contract is so terminated, the Superintendent shall be liable only for payment required under the terms of the Contract for services rendered or goods delivered prior to the effective date of termination.

39. Termination for Default. In the event the Superintendent determines the Contractor has failed to comply with the conditions of this Contract in a timely manner, the Superintendent has the right to suspend or terminate this Contract. The Superintendent shall notify the Contractor in writing of the need to take corrective action. If corrective action is not taken within thirty (30) days, the Contract may be terminated. The Superintendent reserves the right to suspend all or part of the Contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during

investigation of the alleged compliance breach and pending corrective action by the Contractor or a decision by the Superintendent to terminate the Contract. In the event of termination, the Contractor shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original Contract and the replacement or cover Contract and all administrative costs directly related to the replacement Contract, e.g., cost of the competitive bidding, mailing, advertising and staff time. The termination shall be deemed to be a "Termination for Convenience" if it is determined that the Contractor: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence. The rights and remedies of the Superintendent provided in this Contract are not exclusive and are in addition to any other rights and remedies provided by law.

40. Termination Due to Funding Limitations. In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Contract and prior to normal completion, the Superintendent may, without advance notice and without liability for damages, terminate the Contract under the "Termination for Convenience" clause. The Superintendent and Contractor may, however, renegotiate this Contract under any such new funding limitations and conditions.

41. Termination Procedure. Upon termination of this Contract the Superintendent, in addition to other rights provided in this Contract, may require the Contractor to deliver to the Superintendent any property specifically produced or acquired for the performance of such part of this Contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

The Superintendent shall pay to the Contractor the agreed upon price, if separately stated, for completed work and services accepted by the Superintendent and the amount agreed upon by the Contractor and the Superintendent for (a) completed work and services for which no separate price is stated, (b) partially completed work and services, (c) other property or services which are accepted by the Superintendent, and (d) the protection and preservation of the property, unless the termination is for default, in which case the Superintendent shall determine the extent of the liability. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause for this Contract. The Superintendent may withhold from any amounts due to the Contractor such sum as the Superintendent determines to be necessary to protect the Superintendent against potential loss or liability.

The rights and remedies of the Superintendent provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law under this Contract.

After receipt of a notice of termination, and except as otherwise directed by the Superintendent, the Contractor shall:

- a. Stop work under this Contract on the date and to the extent specified, in the notice;
- b. Place no further orders or subcontractors for materials, services or facilities except as may be necessary for completion of such portion of the work under the Contract that is not terminated;
- c. Assign to the Superintendent, in the manner, at the times, and to the extent directed by the Superintendent, all rights, title, and interest of the Contractor under the orders and subcontracts in which case the Superintendent has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts;
- d. Settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the Superintendent to the extent the

Superintendent may require, which approval or ratification shall be final for all the purposes of this clause;

- e. Transfer title to the Superintendent and deliver, in the manner, at the times and to the extent as directed by the Superintendent, any property which, if the Contract had been completed, would have been required to be furnished to the Superintendent;
- f. Complete performance of such part of the work not terminated by the Superintendent; and
- g. Take such action as may be necessary, or as the Superintendent may direct, for the protection and preservation of the property related to this Contract which, in is in the possession of the Contractor and in which the Superintendent has or may acquire an interest.

42. Treatment of Assets. Except as otherwise provided for in the Contract, the ownership and title to all real property and all personal property purchased by the Contractor in the course of performing this Contract with moneys paid by the Superintendent shall vest in the Superintendent, except for supplies consumed in performing this Contract. The Contractor shall (1) maintain a current inventory of all the real and personal property; (2) label all the property "State of Washington, Superintendent of Public Instruction"; and, (3) surrender property and title to the Superintendent without charge prior to settlement upon completion, termination or cancellation of this Contract.

Any property of the Superintendent furnished to the Contractor shall, unless otherwise provided herein, or approved by the Superintendent, be used only for the performance of the Contract.

The Contractor shall be responsible for any loss or damage to property of the Superintendent which results from the negligence of the Contractor which results from the failure on the part of the Contractor to maintain and administer that property in accordance with sound management practices.

If any property is lost, destroyed, or damaged, the Contractor shall notify the Superintendent and take all reasonable steps to protect the property from further damage.

All reference to the Contractor under this clause shall include Contractor's employees, agents and subcontractors.

43. Waiver. A failure by either part to exercise its rights under this Agreement shall not preclude that party from subsequent exercise of such rights and shall not constitute a waiver of any other rights under this agreement. Waiver of any default or breach shall not be deemed to be a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of this Agreement unless stated to be such in writing and signed by personnel authorized to bind each of the parties.
